

RE: Book Support Scheme: First Year Cohort 2021-2022

Scoil Dara Operates a Book Support Scheme which is available to families who wish to avail of this service. The scheme spans the three years of the Junior Cycle with parents joining the scheme as their son or daughter commences first year. The school purchases a selection of core subject textbooks on behalf of students in the scheme - distributing them to students at the start of first year. The cost of these core textbooks is subsidised by the school and then distributed over the three years of the Junior Cycle with an instalment payment due each year. Parents/Guardians have been invited to apply for the scheme through that Confirmation of Student Place. The annual charge is paid through the Easy Payment plus platform accessed via the school website.

The annual charge for the **Book Support Scheme 2021-2024 is €45.00**

The following textbooks are available through the Book Support Scheme: These are core textbooks accessed by all students and servicing the 3 years of the Junior Cycle Programme.

- English - Chrysalis
- CSPE – Take A Stand
- Geography – Geography in Action
- History – Artefact
- PE – Active for Life
- Science – Essential Science
- RE – Inspire
