This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

2. Characteristic spirit and general objectives of Scoil Dara

Scoil Dara is a Catholic co-educational voluntary secondary school with a Catholic ethos under the trusteeship of CEIST (Catholic Education an Irish Schools' Trust).

In accordance with S.15 (2) (b) of the Education Act, 1998, the Board of Management of Scoil Dara shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

“Catholic Ethos” in the context of a Catholic voluntary secondary school means the ethos and characteristic spirit of the Roman Catholic Church which aims to promote:

- (a) the full and harmonious development of all aspects of the person, including the intellectual, physical, cultural, moral and spiritual aspects; and
- (b) a living relationship with God and with other people; and
- (c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and
- (d) the formation of the pupils in the Catholic faith

in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

Catholic education is therefore a lifelong process of human growth and development which has been at the heart of the Church's mission since Jesus Christ urged his disciples to 'go teach all nations'. The person of Christ is the core of Catholic education.

Scoil Dara draws on the richness of the religious and cultural heritage of the past, interpreted and lived out for students living in today's world. The charism of founder Nano Nagle of the Presentation Order who began this school is of very significant importance in the life of the school.

As a CEIST school, Scoil Dara values teaching as one of the most important of all human activities. Our school seeks to build a quality learning community that welcomes, and bears witness to the Gospel values of Jesus Christ, expressed through the lens of the CEIST Charter. These are encapsulated in the core values which are intended to support and nourish the lives of the people who are at the heart of our schools.

- ***Promoting Spiritual and Human Development***
- ***Achieving Quality in Teaching and Learning***
- ***Showing Respect for Every Person***
- ***Creating Community***
- ***Being Just and Responsible***

Scoil Dara is inspired by the words of Jesus Christ to his disciples, “I have come that they may have life and have it to the full” (Jn 10:10). Because of this, Scoil Dara provides a rich, holistic education in the Catholic tradition where engagement with and development of the whole person; the intellectual, moral, religious, physical, spiritual and psychological are at the core of our practice.

Education has as its goal the formation of a human person who is free, rational and mature in relationships. Scoil Dara offers educational opportunities which promote excellence so that students can respond responsibly and creatively to their own lives, the lives of others and to the earth, which is our common home.

In Scoil Dara the dignity and uniqueness of every human being as a child of God is acknowledged and affirmed. The Catholic school is an inclusive community, ideally built on love and formed by the interaction and collaboration of its various components: students, parents, teachers, non-teaching staff and members of the Board of Management. Catholic schools are also outward looking. They are connected to their local parish and Diocese and other local organisations which enrich the life of the school. Our school draws on the rich resources of the local community and, in turn, contributes to the life of the local community.

As a Catholic school, Religious Education is central to our curriculum. Alongside Religious Education, the school supports the formation in faith of our students through many school-based experiences of prayer and ritual. All students' spiritual growth is further enhanced through such areas as sport, language, nature, art, poetry and music.

Mission Statement

The community of the school works in a holistic manner to ensure that dependence is gradually replaced by responsibility for self, society and the world. The dignity to each student, staff member and parent is honoured and reflected in school policies and structures. While educational excellence is promoted, it is the needs of the learner that direct the development of the school. The school promotes a spirit of service and care.

Scoil Dara is a student-centred school, where support is given to each student to:

- recognise their belonging to a community of support and care.
- experience success

- access support and guidance in their personal, academic and social development
- grow in confidence and self-awareness
- endeavour to become the best that they can be
- offer support and care for others
- identify their innate attributes and skills and strive to develop them
- understand the responsibilities associated with community involvement and inclusion, respecting all other members of the school community

Placement on the waiting list of Scoil Dara is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

Late applicants will be offered a place if there is a place available. In the event that there is no place available, the name of the applicant will be added to the waiting list.

14. Procedures for admission of students to other years and during the school year

This section of the policy applies to students who are or who have been enrolled in another school and wish to make an application to enrol in Scoil Dara. In general, it is the policy of the Board of Management of Scoil Dara not to accept transfers during the school year.

However, the Board of Management will consider an application where:

1. The student has already moved into the catchment

An offer of transfer enrolment from the Board of Management is subject to all of the following:

- The availability of places in the year group and specific subjects
- Conformity with all of the selection criteria per the admission into first year
- Proof/evidence of residence in the catchment area
- The ability of the school to ensure continuity of study of subjects and levels
- The acceptance and full compliance with the Code of Behaviour by the student and the parent/guardians
- The acceptance and full compliance with the Uniform Code by the student and the parent/guardians
- The exhaustion of all disciplinary proceedings, including any Section 29 appeals with the school where they are currently or have been enrolled

The submission of a fully completed transfer application form. Forms will not be processed until they are complete.

Initially, the Principal processes the fully completed transfer application form and requested documentation. The Principal then determines whether the applicant meets the criteria (see above) for consideration by the Board of Management, for example; residence in catchment area, availability of a place in relevant classes etc.

If the transfer enrolment criteria are not met, then the Principal will inform the parents/guardians that the application has been unsuccessful. Parents/Guardians have the right to appeal this decision by writing to the Board of Management.

The parents/guardians will be informed of the date for the next Board of Management meeting. The Principal will present such considered transfers applications to the Board of Management. The Board of Management will consider the application.

The Board of Management will decide whether to:

- refuse enrolment
- offer to admit the student immediately

- defer an offer of enrolment if the Board is of the view that it would more appropriate to wait until the beginning of the next term/year. This is to minimise disruption to the existing students of Scoil Dara and to facilitate the student's smooth transition into Scoil Dara.

Parents/guardians will be notified within 7 days to the Board's decision. The Board of Management reserves the right to refuse enrolment (see section on Right to Refuse Enrolment).

Important Notes for Applicants:

Where a student, who has left Scoil Dara voluntarily to take up employment or to attend another educational establishment, subsequently makes a formal application for re-admission to Scoil Dara, the Board of Management shall, upon review, decide as to whether or not to readmit the student to the school. Such an application will be processed in the same manner as a transfer enrolment application.

The board of management has a duty of care to ensure as far as practicable the health and safety of the students and staff of the school. In addition, the board of management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that board has responsibility.

An application for admission may be refused, therefore, where the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education.

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

16. Arrangements regarding students not attending religious instruction

A parent of a student, or a student who has reached the age of 18, who wishes to attend Scoil Dara without attending religious instruction should make a written request to the Principal. A meeting will then be arranged with the parent or the student, as the case may be, to discuss how that request may be accommodated by the school.
