Dear Parents/Guardians,

We look forward to welcoming you to Scoil Dara's Senior Cycle Information Evening on Tuesday 21<sup>st</sup> January at 6.30pm.

The aim of the evening is to share important information guiding your son's/daughter's progression into senior cycle and to consider the implications of their choices at this crucial point in their secondary education.

The schedule of the presentation is as follows:

- Supporting students with difficult decisions - informing choice
- Senior Cycle Pathways – The Programme Choice:
  - Leaving Certificate Programme/ Leaving Certificate Vocational Programme
  - Leaving Certificate Applied Programme
  - Transition Year

In the coming weeks your son's/daughter's will attend presentations in school supporting their decisions around programme choices and option subject selections. As parents and guardians your conversations with them, your advice and counsel are invaluable to their making informed and well considered decisions.

We would encourage you to attend and gather relevant information and detail regarding what are pivotal decisions and important choices in journey through and beyond secondary education.

We look forward to welcoming you all to the Information Evening entering the school through the entrance at reception.

Kind regards,
